## Kindergarten

### Let's Celebrate!

**K1**

Your child will

- expand their vocabulary and improve their English communication skills by creating a special gift with simple and fun materials
- build academic and developmental skills such as categorising objects and following directions through fun activities.

HK\$2,180 6 hours Admiralty

### Gingerbread Man Adventures

**K3**

Your child will

- develop their writing skills and creativity through writing clues to make a gingerbread man trail
- act out their own story using face masks of different animals to improve their speaking skills.

HK\$3,160 9 hours Admiralty

### Creative Arts Club

**K2**

Your child will

- explore and express their creativity through various arts and crafts activities including paper art and painting
- experiment with elements of art such as lines, shapes, colours, forms, space and textures to develop their ability to think creatively and communicate with authentic English.

HK\$3,160 9 hours Admiralty

## Primary

### Building English with LEGO® Bricks

**P1–P2**

Your child will

- explore STEM concepts linked to real-life, which will ignite their natural curiosity
- develop problem-solving, communication skills, and creativity, through using LEGO® bricks to complete challenges
- learn functional language for working with a partner and describing parts of machines.

#### About LEGO® Education

In order to inspire and develop the builders of tomorrow, the LEGO Group has dedicated more than 80 years to understand how students play and learn. Learning has always been at the very core of the company's most heartfelt values. Being part of the LEGO Group, LEGO Education plays a decisive role in igniting student engagement in learning by giving them a hands-on experience that encourages learning through physical and digital creation.

HK\$3,330 9 hours Admiralty

### Reading Skills

**P1**

Your child will

- develop reading comprehension skills based on three classic stories
- identify literary features such as rhyme, rhythm and alliteration.

HK\$3,160 9 hours Admiralty

### Reading Skills

**P2**

Your child will

- improve their reading comprehension skills through reading classic storybooks
- learn skills and techniques that will improve their ability to identify different literary techniques such as onomatopoeia and rhyme.

HK\$3,160 9 hours Admiralty

### Reading Skills

**P3–P4**

Your child will

- use their creativity and critical thinking skills to design new characters or elements of the stories
- learn about the different parts of speech
- participate in short writing activities such as creating alternate endings and retelling a story.

HK\$2,810 9 hours Admiralty

Get **30% off\*** when registering for any two courses for the same student in one transaction

## Junior Coders

P3–P4

Your child will

- explore programming concepts for the real world, which will fuel their imagination
- develop their problem-solving and communication skills by using micro:bit to complete projects
- produce a written report about their project and practise their speaking skills by presenting to the class.

HK\$3,160 9 hours Admiralty

## Interview Skills for Secondary 1 Admission

Your child will

- learn how to use storytelling, discussion and other strategies to respond to questions and extend answers appropriately and creatively during interviews
- explain ideas with expressions and body language
- participate in a mock interview to prepare for what will happen during Secondary school interviews.

HK\$2,810 9 hours Admiralty and Tsim Sha Tsui

Get **30% off\*** when registering for any two courses for the same student in one transaction

## Build English Creatively – A learning experience with Minecraft

P5–P6

Your child will

- learn language related to technology and game interface
- develop creativity and problem-solving skills to explore and experiment in the Minecraft world with their classmates.

This course is not an official Minecraft product. This course is not approved or associated with Mojang.

HK\$3,330 9 hours Admiralty

P5–P6

## Write to Impress

S1–S2

Student will

- plan and write a review, a speech and a magazine article
- become a more confident writer by learning how to plan and organise ideas better with the use of connecting words and phrases
- learn strategies to engage readers by making your writing more interesting.

HK\$2,810 9 hours Tsim Sha Tsui

## Present with Confidence

S3–S4

Student will

- increase your range of vocabulary and language patterns
- develop your digital literacy skills by doing research
- learn about ways to organise the information you find to create a presentation that engages your audience
- present your ideas fluently and accurately with appropriate intonation, body language and gestures.

Existing students' registration form

\*The offers are valid to 10 December 2023. The offers cannot be used in conjunction with other promotional offers or discounts. Terms and conditions apply.

An English entry test before registration is required for P1–S4 students if this is the first time your child has registered for a British Council course. English entry test results are valid for six months.

The British Council believes that all children have potential and that every child matters – everywhere in the world. The British Council affirms the position that all children have the right to be protected from all forms of abuse as set out in article 19, United Nations Convention on the Rights of the Child (UNCRC) 1989.
