Test your own IQ

Always wanted to know your IQ score?
Find out and then let us help you improve it!

Test your own IQ

If you want to improve your brainpower, problem solving skills and mental flexibility, Test Your Own IQ is the package you need!

Devised by top test and puzzle design experts, Test Your Own IQ can actually help you to increase your IQ score. The exercises are not just academic, they have been designed to reflect many of the tests given to candidates in interview conditions, and can easily make up that extra point you need to get that great job! Before long you will be able to identify the correct methods of puzzle resolution, increasing your brain power and giving you a much more accurate picture of your true IQ level.

- Detailed scoring and general feedback at end of tests.
- Clear explanations of where you went wrong for every question failed
- Designed to reflect tests given for top jobs
- Clear, simple user interface, get stuck right in!
- Permanently increases problem solving ability

Puzzler GSP

SUDOKU

From the creators of the UK's best-selling **SUDOKU** magazine

VOLUME 1

A collection of **1000** puzzles, all in an easy-to-use format with 4 levels of difficulty.

1000 of the world's best SUDOKU Puzzles!

SUDOKU IS THE FASCINATING NEW PUZZLE THAT IS TAKING THE WORLD BY STORM!

The beauty of the puzzle is that the principle of solving is incredibly simple. It's all about logic and nothing to do with maths! All you have to do is fill in the grid so that every row, column and 3 x 3 box contains the numbers 1-9. (The word 'Sudoku' means the number that is single'. The same number cannot appear twice in any row, column or 3 x 3 box.)

THE (Puzzler) PROMISE

Our Sudoku puzzles are always created with a structured plan in mind, to guarantee enjoyment throughout the solving process.

Full of features!

- Packed with 1,000 Puzzler quality Sudoku puzzles - that's nearly 3 years of Sudoku if you complete a different puzzle every day!
- 4 levels of difficulty, Easy / Mild / Medium / Hard
- Option to print out puzzles, or complete them on screen
- Log in multiple users so family members can keep their own personal record of completed or part-completed puzzles
- Pencil Mode - Enter up to 9 possible numbers which can easily be erased.
- Erase - Allows you to erase numbers entered in Pen Mode.
- A Hint facility will highlight cells where the correct number can be worked out.
- The Cheat function will reveal the correct solution to a particular square
- Duplicate Number Warning - an optional feature that flags if a number has already been placed
- Choose to have your puzzles timed for an extra challenge against family and friends
- Save or pause unfinished puzzles

BE WARNED... ONCE YOU START PLAYING YOU WON'T WANT TO STOP - IT'S HIGHLY ADDICTIVE AND CHALLENGING FUN!

English Workbook Key Stage 1

This fun workbook brings English to life in an exciting and colourful way that's ideal for the formative primary school years. Following the National Curriculum guidelines, the workbook presents topics in a clear and structured way that supports everything your child has learned in the classroom, all introduced and overseen by the loveable characters of the Shrek films, including Donkey, Princess Fiona, Puss in

Boots and big-hearted Shrek himself! Who knew learning could be this much fun?

- ✦ Familiar characters guide your child through each topic in a friendly style.
- ✦ Simple step-by-step exercises.
- ✦ Practice test ensures familiarity with test style.
- ✦ 70 sticker rewards-one for every topic!

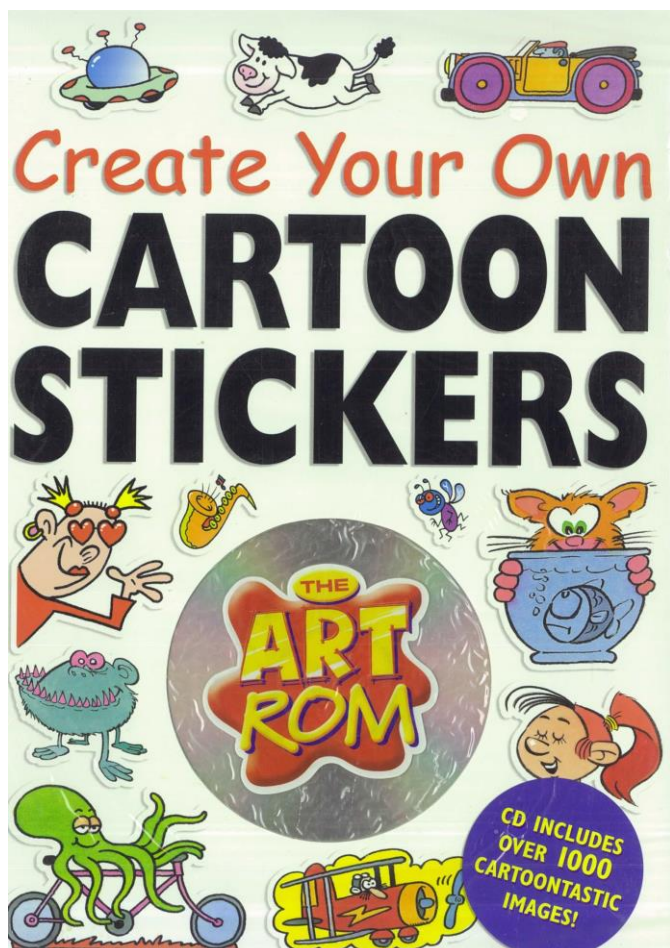

In association with **Lets**

WARNING: Not suitable for children under 36 months due to potential small parts.

 English by Design

English by Design Resource Books offer a wealth of activities that help children learn English and craft skills in a fun and practical way.

A highly visual layout with clear, step-by-step instructions and photographs builds practical skills and helps foster a sense of achievement. The craft projects use easily available materials. Language learning is encouraged through fun activities, with careful control of sentence structure and vocabulary and the use of glossaries to explain difficult words. The simplified English text suits non-native English speakers aged 7-11.

This inspiring and colourful book contains ten original projects and lots of other great ideas for having fun printing.
