The course involves online research and includes online grammar, reading and listening practice activities to consolidate your learning.

**Authentic English**
- improve your pronunciation
- learn the appropriate grammar and vocabulary for different situations so you can communicate successfully
- use the language you learn to participate in real-life tasks, such as giving presentations and writing convincing argumentative essays

**Academic and exam skills**
- listen for details and understand the views of different speakers
- talk about your own ideas and respond to other people
- understand a variety of written texts and answer exam-style questions
- plan, organise and write a variety of texts

**Skills for life**
- develop your critical thinking, leadership and digital literacy skills
- develop your communication skills by collaborating with classmates to create videos, interviews and presentations

**Global issues at a local level**
- link the topics and discussions in the classroom to life across Hong Kong and the world
- improve your understanding of the lives and cultures of others and appreciate different points of view

**Digital literacy**
- Knowledge of the modern world
- Language of the modern world
- Gateway to the globalised world

**Projects**
**Research**
**Presentations**
